

# HOW TO WIN FRIENDS AND INFLUENCE PEOPLE

BY DALE CARNEGIE

**JOHN D. ROCKEFELLER, SR.** once said: "The ability to deal with people is as purchasable a commodity as sugar or coffee. And I will pay more for that ability than for any other under the sun."

Wouldn't you suppose every college would conduct practical courses to develop this "highest-priced ability under the sun?" To our knowledge, none has.

How to develop that ability is the subject of Dale Carnegie's new book.

A few years ago Chicago University and the United Y. M. C. A. Schools made a survey to find out the prime interest of adults. The survey took two years, cost \$25,000. It indicated that their first interest is health—and their second, how to understand and get along with people; how to make people like you; how to win others to your way of thinking.

Wouldn't you suppose that after the members of this survey committee had decided to give such a course, they could readily have found a practical textbook? They searched diligently—yet could find none suitable.

But the book they were looking for has NOW been written

## A New Book—the Man Behind It

It is called *How to Win Friends and Influence People*—and is written by the one man perhaps better qualified to write it than anyone else.

Dale Carnegie is the man to whom the big men of business come for practical guidance on getting along with people successfully. During the last 24 years he has trained more than 15,000 business and professional men and women—among them some of the most famous in the country.

When he conducts his course on How to Influence People and on Public Speaking in the ballroom of the Hotel Commodore or The Pennsylvania, or the Hotel Astor (second largest hall in New York) it is packed to capacity. Large organizations—such as The New York Telephone Co., Westinghouse Electric and Mfg. Co., and many others listed elsewhere on this page—have had this training conducted by Mr. Carnegie for their executives.

This new book grew out of that vast laboratory of experience. As the panel at the top of this page shows it is as practical as 24 years' success with the problems of thousands in all walks of life can make it.

## The Case of Pat O'Haire

Patrick J. O'Haire lives in New York City and that's his right name. He first got a job as a me-

**LOWELL THOMAS**  
says about Dale Carnegie

"Certainly some of my success has been due to training under Dale Carnegie. I have known him for 20 years. This man, by inspiring adults to blast out and smelt some of their hidden ores, has created one of the most significant movements in adult education. He is indeed a wizard in his special field."

chanic. When he married he needed more money. He tried to sell automobile trucks—but was a terrible flop.

An inferiority complex was eating his heart out. On his way to see any prospect, he broke out into a cold sweat. Before he could get up courage to open an office door, he had to walk past it a dozen times.

When he finally got in, he would invariably find himself antagonizing, arguing. Then he would get kicked out—never knowing quite why.

He was such a failure he decided to go back to work in a machine shop. Then one day he received a letter inviting him to attend the opening session of a Dale Carnegie course.

**"It may do you some good, Pat. God knows you need it!"**

He didn't want to go—afraid of being out of place. His despairing wife made him, saying, "It may do you some good, Pat. God knows you need it."

He went to the meeting. Then he attended every other meeting of the course. He lost his fear, learned how to talk convincingly, how to make people like him at once, how to win friends and influence others.

Today Pat O'Haire is one of the White Motor Company's star salesmen. His income has skyrocketed! Last year at the Hotel Astor Pat stood before 2,500 people and told a rollicking story of his achievements. Few professional speakers could have equalled his confidence—or his reception.

Pat O'Haire's problem was exactly the same as that of thousands in other fields—the fundamental one of *getting along with people*. He is just one example of what Dale Carnegie's help has meant to more than 15,000 others in all types of endeavor. *What Dale Carnegie has done for them he can do for you.* Look at the chapter headings. They indicate the amount of hard-hitting, priceless information his book contains. But the
